

Part No. **38411**

2 PORT DISPLAYPORT 1.2 SWITCH

DESCRIPTION

- Switch between two DisplayPort 1.2 source devices when connected to a single DP display
- Supports resolutions up to 3840x2160@60Hz
- Simple, push button switching
- Sleek, metallic design
- 2 Year Warranty

The Lindy 2 Port DisplayPort 1.2 switch is a compact, high performance solution for switching between 2 DisplayPort source devices such as PCs, laptop or notebooks when connected to a single DP display.

With support for resolutions up to 3840x2160@60Hz, video content can be viewed in crystal clear 4K Ultra HD quality, ensuring a superior viewing experience in retail digital signage, educational or office setups. Switching can be applied easily with a manual push button on the unit itself, providing simple, hassle free use for both professional and first time users.

For 4K@60Hz or 4K@30Hz at short distances resolutions we advise using high quality Lindy cables to ensure optimum performance. For longer distance connections we advise using Lindy Active DisplayPort Cables [41078, 41079 and 41081]. Please ensure the longer cable within the installation is connected to the signal source.

2 PORT DISPLAYPORT 1.2 SWITCH

SPECIFICATIONS

AV Interface	DisplayPort
Interface Standards	DP 1.2
Supported Bandwidth	21.6Gbps
Maximum Resolution	3840x2160@60Hz 4:4:4 8bit

HDCP Support	0
Supported Audio	Pass-through

Separate Audio Ports	-
-----------------------------	---

IR Support	-
CEC Support	-
Serial Interface	-
Special Features	Push Button Control

PHYSICAL PROPERTIES

Dimensions (approx.) WxDxH	110x68x27mm (4.33x2.68x1.06in)
-----------------------------------	-----------------------------------

Housing Material	Metal
Net Weight	0.192kg [0.42lb]

Operating Temperature	0°C - 85°C [32°F - 185°F]
Storage Temperature	-55°C - 125°C [-67°F - 257°F]
Humidity	25 - 50% RH (Non-condensing)

Power Requirements	-
Colour	Silver

CONNECTORS

Input	2 x DisplayPort (Female)
Output	Displayport (Female)
Control	-
Power	Powered via source device

MISCELLANEOUS

Packaging Type	Carton Box
Packaging Dimension	160x115x50mm [6.3x4.53x1.97in]
Gross Weight	0.196kg [0.43lb]
Warranty (Years)	2
Certificated	RoHS & REACH
